Maybe we can slide in the EO briefing tomorrow around 11am?

Got it.

My understanding is that Jennifer will attend as well, but I will confirm tomorrow.

We have an EO briefing in the queue so we will just need to find the time.

Kevin,

Is anyone else from ORD scheduled to attend this call with Durbin's staff?

I need a briefing on the EO IRIS assessment before I attend any call.

Let's discuss first thing Monday.

Subject: Reschedule - Conference Call with Senator Durbin's Staff on the IRIS
Assessment of Ethylene Oxide

Hi Sam, Clint and David:

We cancelled today's conference call on the IRIS Assessment of Ethylene Oxide to include OAR in light that the air office has similar issues. We still plan to just discuss the IRIS assessment and ORD will lead the conversation. The Senator's office proposed Monday morning or Tuesday for the call. Please let me know you availability for those days.

Thanks,
Thea
